**WHEREAS**, Developer desires to enter the Property for the purpose of doing certain Feasibility Studies (as defined in Paragraph 1 below) in anticipation of negotiating a land disposition agreement with District.

1. Right of Entry. Subject to the terms and conditions of this ROE, commencing on the Effective Date and continuing until the Expiration Date, District grants Developer and its employees, agents, contractors, and invitees (collectively "**Agents**") the right to enter the Property at any time during daylight hours Monday through Saturday (unless otherwise specified in the ROE) for performing surveying and soil, engineering, and environmental sampling, testing, and investigations, and such other tests, studies, and investigations as Developer deems necessary or desirable to evaluate the Property or as may be required by applicable laws, regulations or codes ("**Feasibility Studies**"). Developer or its Agents may store equipment on the Property during the term of this ROE; provided, however, that Developer and its Agents shall be solely responsible for securing such equipment on the Property and District shall not be liable for any theft or damage to any equipment stored on the Property. The District shall retain the right to further restrict the date and times of the entry. 5. Removal of Equipment. At the expiration or termination of this ROE, Developer shall remove all tools, equipment, and other personal property from the Property at its sole cost. This provision shall survive the expiration or earlier termination of this ROE.

6. Security. 7. Indemnification. With respect to all activities permitted under this ROE, Developer shall at all times conform with and abide by the reasonable orders and directions of District officials or their duly authorized representatives, indemnifying the same and District as follows:

a. Developer shall indemnify and hold harmless District, its officials, officers, employees, and agents from all liabilities, obligations, damages, penalties, claims, costs, charges,

and expenses (including reasonable attorney's fees), of whatsoever kind and nature for injury, including personal injury or death of any person or persons, and for loss or damage to any property caused by Developer occurring in connection with, or in any way arising out of the use, occupancy, and performance of the work permitted by this ROE; provided, however, the foregoing indemnity shall exclude any claims or liabilities caused by the gross negligence or willful misconduct of District.

b. Developer shall indemnify and hold harmless District, its officials, officers, employees, and agents from all liabilities, remedial costs, environmental claims, fees, or other expense related to, arising from, or attributable to, any Hazardous Materials introduced by Developer (including effluent discharged on the Property) or as a result of Developer's activities on the Property; provided, however, the foregoing indemnity shall exclude any claims or liabilities caused by the gross negligence or willful misconduct of District.

c. Developer expressly indemnifies and shall defend District against any claims by contractors or subcontractors who perform any activity on the Property; provided, however, the foregoing indemnity shall exclude any claims or liabilities caused by the gross negligence or willful misconduct of the District. This ROE shall not be construed as granting Developer or any contractor of Developer the right to place any lien, mechanic's lien, or any charge on the Property.

d. If any action or proceeding as described in this Paragraph 7 is brought against District, its officials, officers, or employees, the Office of the Attorney General for the District of Columbia ("OAG") in accordance with D.C. Official Code § 1-301.111, shall take all legal action required to defend the District against such action and Developer shall promptly reimburse District for all liabilities, obligations, penalties, claims, litigation, demands, defenses, costs, judgments, suits, proceedings, damages, disbursements or expenses of any kind (including attorneys' and experts' fees and expenses and fees and expenses incurred by District in investigating, defending, or prosecuting any litigation, claim, or proceeding) that may at any time be imposed upon, incurred by, or asserted or awarded against District or any of them in connection with or arising from or out of this ROE; provided, however, the foregoing indemnity shall exclude any claims or liabilities cause by the gross negligence or willful conduct of the District. Attorneys' fees incurred by OAG shall be calculated based upon an equivalent amount that a private firm of comparable size to the OAG would have been charged for such representation based on the number of hours the OAG employees participated in such litigation or other action.

e. The obligations contained in this Paragraph 7 shall survive expiration or the earlier termination of this ROE.

e. Changes in Insurance Coverage. The requisite insurance policies shall not be canceled, terminated, or modified (except to increase the amount of coverage) without thirty (30) days’ prior written notice from Developer to District. If the required insurance policies should be canceled, terminated, or modified so that the insurance is not in full force and effect, then District shall have the right to terminate this ROE immediately, without prior notice or right to cure by Developer.

f. Evidence of Insurance. Evidence of the requisite insurance policies in the form of certificates of insurance shall be submitted to District prior to Developer's entry onto the Property and from time to time at District's request.

9. Liability. Without prejudice to any other rights District may have, Developer is responsible, in accordance with applicable laws, for the acts and omissions of its Agents that cause injuries to persons or damages to Property, including any claims arising from such injuries or damages, caused by or arising from the activities permitted under this ROE. District shall have no liability for the actions or negligence of Developer or its Agents. Neither the grant of this ROE, nor any provision thereof, shall impose upon District any new or additional duty or liability or enlarge any existing duty or liability of District.

10. Licenses/Permits. Developer is solely responsible for obtaining any necessary licenses and permits for the work permitted under this ROE, including transportation and disposal of materials. The spoil (soil and water), if any, produced by Developer shall be stored, and disposed of, in strict compliance with local and federal laws. Prior to the removal of any non-hazardous materials and debris from the Property, Developer shall provide District written notice of the location to which the materials and debris are to be disposed.

11. Utilities. Developer shall be solely responsible for coordinating with the utility companies and for any utility costs incurred in connection with any activity performed by Developer and its Agents on the Property. Developer shall be solely responsible for the proper containment and removal of all utility lines on or near the Property. Developer shall defend and hold harmless District against any claims by any utility company resulting from Developer's direct or indirect activities on the Property.

12. Hazardous Materials. Developer shall immediately notify District if it discovers Hazardous Materials or waste on the Property. Within ten (10) days of the disposal of any Hazardous Materials, Developer shall provide District written evidence and/or receipts confirming the proper disposal of all hazardous materials removed from the Property. For purposes of this ROE, "**Hazardous Materials**" means (a) asbestos and any asbestos containing material and any substance that is then defined or listed in, or otherwise classified pursuant to, any Environmental Law or any other applicable law as a "hazardous substance," "hazardous material," "hazardous waste," "infectious waste," "toxic substance," "toxic pollutant" or any other formulation intended to define, list or classify substances by reason of deleterious properties such as ignitability, corrosivity, reactivity, carcinogenicity, toxicity, reproductive toxicity or Toxicity Characteristic Leaching Procedure (TCLP) toxicity; (b) any petroleum and drilling fluids, produced waters and other wastes associated with the exploration, development or production of crude oil, natural gas or geothermal resources; and (c) any petroleum product, polychlorinated biphenyls, urea formaldehyde, radon gas, radioactive material (including any source, special nuclear or by-product material), medical waste, chlorofluorocarbon, lead or lead-based product and any other substance the presence of which could be detrimental to the Property or hazardous to health or the environment. "**Environmental Law**" means any present and future law and any amendments (whether common law, statute, rule, order, regulation or otherwise), permits and other requirements or guidelines of governmental authorities applicable to the Property and relating to the environment and environmental conditions or to any

Hazardous Material (including, without limitation, CERCLA, 42 U.S.C. § 9601 et seq.; the Resource Conservation and Recovery Act of 1976, 42 U.S.C. § 6901 et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. § 1801 et seq.; the Federal Water Pollution Control Act, 33 U.S.C. § 1251 et seq.; the Clean Air Act, 42 U.S.C. § 7401 et seq.; the Toxic Substances Control Act, 15 U.S.C. § 2601 et seq.; the Safe Drinking Water Act, 42 U.S.C. § 300f et seq.; the Emergency Planning and Community Right-To-Know Act, 42 U.S.C. § 1101 et seq.; the Occupational Safety and Health Act, 29 U.S.C. § 651 et seq.; and any so-called “Super Fund” or “Super Lien” law, any law requiring the filing of reports and notices relating to hazardous substances, environmental laws administered by the Environmental Protection Agency and any similar state and local Laws, all amendments thereto and all regulations, orders, decisions and decrees now or hereafter promulgated thereunder concerning the environment, industrial hygiene or public health or safety).

13. Not a Contract for Services. This ROE is not intended, nor shall it be deemed or construed, as a contract for services or to bind District to convey the Property to Developer. Nothing contained in this ROE and no future action or inaction by District shall be deemed or construed to mean that District has contracted with Developer to perform any activity on the Property, including, but not limited to, the permitted use pursuant to the ROE. Developer expressly acknowledges that District is prohibited by law from entering into contracts for services without following the procedures set forth in the Procurement Practices Act, D.C. Official Code §§ 2-301.01 (2007 Repl.) et seq., and all financial obligations of District or any subsequent agreement entered into by the parties are and shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 U.S.C. §§ 1341, 1342, 1349, 1350, and 1351; (ii) the D.C. 14. Compliance With Applicable Laws. Developer shall comply with all applicable federal, state and District of Columbia laws, and existing regulations promulgated thereunder in its use and activities permitted pursuant to the ROE, including all such laws and regulations governing the testing and investigation of asbestos, lead and other Hazardous Materials.

15. No Waiver. Nothing in this ROE shall be deemed to waive any rights of any kind that District now has, or may hereinafter have, to assert any claim against Developer or any other person or entity, including, without limitation, claims with respect to any and all past events or entry on the Property and activities of Developer or of any person or entity.

16. No Right, Title, or Interest. Nothing contained in this ROE and no action or inaction by District shall be deemed or construed to mean that District has granted Developer any right, power, or permission to do any act or make any agreement that may create, give rise to, or be the foundation for any right, title, interest, lien, or charge to the Property, including, but not limited to, the grant of a license or easement in the Property.

17. Applicable Law and Binding Nature. This ROE shall be construed under the laws of the District of Columbia without reference to conflicts of laws principles. This ROE shall be binding

upon the heirs, personal representatives, successors, grantees, and assigns of the respective parties hereto.
