The owner may provide through a lease agreement for an occupant to be responsible for its own solid waste removal, in which case the occupant shall also be responsible for the separate removal of recyclable material, unless otherwise provided for in the lease agreement. Notwithstanding the existence of such a lease agreement, the owner is responsible for complying with these regulations except where the Director determines that there are circumstances that warrant holding an occupant liable for compliance. The Director may issue a notice of violation to an occupant or to the owner.

The owner may provide through the lease agreement that an occupant shall also be responsible for posting and maintaining such signs, in which case the occupant shall also be responsible for meeting the requirements of this subsection. Notwithstanding the existence of such a lease agreement, the owner is responsible for complying with this regulation except where the Director determines that there are circumstances that warrant holding an occupant liable for compliance.
