

DC leaf collection p r o g r a m

November 4- January 11

Government of the District of Columbia
Vincent C. Gray Mayor

District of Columbia 2013-2014 Leaf Collection Program

The Department of Public Works will collect leaves from November 4, 2013 through January 11, 2014. DPW uses vacuum trucks to collect the bulk of the leaves, which are then composted. We *urge* residents to follow the schedule detailed in this brochure when planning to rake loose leaves into piles in the curbside treebox space for collection.

DPW will collect bagged leaves from the treebox space. In neighborhoods with alley trash/recycling collections, bagged leaves also may be placed where trash and recycling are collected. These leaves will be disposed with the trash as space allows in the truck.

Tips for a Smooth-Running Leaf Collection Season

- Review the schedule in this brochure for your street's collection weeks.

- Rake leaves into the treebox space the weekend before your street's scheduled collection week. Once we serve your area, we will not return until your next scheduled leaf collection week.

- Please – leaves only!** Tree limbs, bricks, dirt, rocks, etc., will damage the equipment and delay collections.

- Prevent fires and parking problems by placing leaves in the treebox space, **not in the street.**

Leaf Collection Facts

Every street will have at least two collections. During the first pass, crews will vacuum loose leaves from the treebox space, collect bagged leaves, and clear potentially hazardous situations. The second pass features a more thorough cleaning.

- Collections will be made on Veterans Day (Monday, November 11th) and on Thanksgiving Day (Thursday, November 28th).

- No collections will be made on Christmas Day (Wednesday, December 25th) or on New Year's Day (Wednesday, January 1st).

Good to know...

Bring leaves to Ft. Totten

4900 John F. McCormack Road, NE, Monday to Friday 1 pm to 5 pm and Saturday, 8 am to 3 pm. For more information, call 311.

Free compost

Between March and October, pick up compost for garden projects at Ft. Totten Transfer Station, Saturdays between 8 am and 3 pm.

We are closed on holidays.

Prevent water pollution

Keep catch basins clear of loose leaves, debris and trash. Clogged catch basins (storm drains) can cause increased street flooding during heavy rain. Use the street litter cans for pedestrian litter only and your trash cans for trash. **Please do not sweep leaves or sidewalk litter into gutters or catch basins.** Organic material, cigarette butts, and trash washed into catch basins contribute to water pollution. To report a clogged catch basin, please call DC Water at 202.612.3400.

Properly dispose of motor oil and other hazardous materials. Dumping these items into the catch basins pollutes our waterways and harms wildlife. Bring these or other household hazardous waste items and your unwanted electronics to the Fort Totten Trash Transfer Station (address above) the first Saturday of each month, only, except holidays, from 8 am to 3 pm.

2014 Holiday tree pick-up

Place holiday trees and wreaths next to your trash container at your regular collection point. Trees collected between December 29 - January 11 will be recycled. After January 11 trees will be collected with your trash as space allows in the trash trucks.

Snow and ice events can disrupt the leaf collection schedule because DPW leaf collection staff support the Snow and Ice Control Program. Expect schedule delays when snow/ice storms are predicted.
