Leaf Collection Program

DC

2016-2017
Fall-Winter

November 7 to January 14

DISTRICT OF COLUMBIA
DEPARTMENT OF PUBLIC WORKS
"The Preferred Choice"

WE ARE WASHINGTON DC

GOVERNMENT OF THE
DISTRICT OF COLUMBIA
MURIEL BOWSER, MAYOR

WELCOME TO FALL!

The Department of Public Works will again follow a one-week collection schedule.

We will make two one-week passes in your neighborhood from November 7th through January 14th. To ensure your leaves are collected, please rake or bag your leaves and place them at the collection site the Sunday before your collection begins. Thank you.

Rake loose leaves into your treebox or bag leaves using paper bags and place them in your treebox.

LEAF COLLECTION FACTS!

- Every street will have at least two scheduled collections dates.
- We will collect on Veterans Day, November 11th and Thanksgiving, November 24th.
- We will not collect on Christmas, December 25 and New Year's Day, January 1.
- Snow and ice storms may disrupt the collection schedule. Expect delays when snow and ice is predicted.

HOLIDAY TREE PICK UP

Holiday trees and greenery will be collected from the curb in front of your home through January 27th. After January 28th, place holiday trees and greenery where your trash and recycling are collected. They will be picked up with your trash if space allows in the trash trucks. Holiday trees and greenery brought to Fort Totten Transfer Station or collected by January 27th will be composted.

DO'S & DON'TS

Do

- Check to see when your leaves are scheduled for collection
- Place only leaves in tree boxes or at the curb for collection
- Bring leaves, tree limbs and other yard debris from your private landscaper to Ft. Totten Transfer Station
- Bring Christmas trees and greenery to Ft. Totten
- Report clogged catch basins by calling DC Water at 202-612-3400
- **Find out where we are collecting leaves today and see pictures of collections in your neighborhood at www.dpw.dc.gov**

Don't

- Place tree limbs, bricks, dirt, rocks etc. into tree boxes for collections.
- Start fires or parking problems by placing leaves in the street instead of the tree box.
- Sweep leaves, litter or other debris into gutter or catch basins. Clogged catch basins (storm drains) can cause street flooding during heavy rains and contribute to water pollution.
- Rake leaves into treeboxes or at the curb after your scheduled collection.

DID YOU KNOW?

Loose and bagged leaves placed in the treebox, or at the curb if there is no treebox, will be composted.

Bagged leaves placed where your trash and recycling are collected will not be composted.

Holiday trees and greenery collected from the front of your home will be composted at Fort Totten Transfer Station through January 27th.

You can dispose of motor oil and other hazardous materials weekly at Fort Totten.

Free compost available to residents from March to October at Fort Totten.
Fort Totten 4900 John F. McCormack Drive, NE Washington DC
