# TAKE THE RECYCLING CHALLENGE!
# CAN YOU FIND ALL THE RECYCLABLES IN THE PUZZLE?

Play the recycling word game and rethink, reduce, reuse and recycle. We can create re-manufacture new products out of recycled materials and use fewer resources, such as fuel and water, to make them. Find the recyclables hidden below. Here are clues to the puzzle.

| | | | | |
|---|---|---|---|---|
| Plastic | Rethink | Reduce | Cardboard | Recycle |
| Bottles | Book | Glass | Aluminum | Newspaper |
| Chair | Bag | Juice box | Junk mail | Paper towel roll |
| Toys | | | | |

DPW Revised 2.24.11

Did you know that the District is above the national average for recycling newspaper, and plastic and glass bottles? Did you know that we can boost our recycling rate just by adding aluminum cans, steel cans and cardboard? Did you know we accept plastic bags, just bundle all of them in one bag and put it in your cart or bin.
