

COLLECTION AREA FOR OLD TRASH AND RECYCLING CONTAINERS

Residents living within the mapped area are eligible for this special collection if they:

- Have twice-a-week District trash collection service;
- Have recently received two, new wheeled carts (blue for recycling and green for trash); AND
- Have old recycling bins and trash cans which they no longer need.

To have DPW pick up your old containers, set them out on the curb - upside down - on Wednesday, Aug. 31st before 7 AM.
