

Application Procedures to Discontinue Scheduled Residential Street Sweeping

Procedures to **discontinue signed, weekly street sweeping and have street sweeping signs removed** on a particular street are as follows:

- 1) A petition must be completed for each street location. A **minimum of three contiguous blocks** is required to be considered for the program.
- 2) Petitions filed must have the signatures of individuals representing at least **80%** of the residences on the block.
 - *If an apartment building is located within the block, then each apartment unit is to be counted as a separate residence.*
- 3) The Department of Public Works, Solid Waste Management Administration (DPW/ SWMA) will review the petition and inspect the blocks during the consideration process.
- 4) DPW/SWMA will notify the local ANC commission and the Block Captain, if any, of a particular block requesting suspension of street sweeping and the approval of a petition. The local ANC office will be given the opportunity to advise the government on this issue as required by District of Columbia Law.
- 5) Upon decision, DPW/SWMA will notify the local ANC, the Block Captain, and the citizen generating the petition of the determination. DPW/SWMA will reserve the right to deny any petition. If approved, DPW will notify the ANC and citizen generating the petition once the **NO PARKING FOR STREET CLEANING** signs have been removed.
- 6) The District Department of Transportation (DDOT) will remove the **NO PARKING FOR STREET CLEANING** signs and DPW/SWMA will notify the affected residents when street sweeping has been discontinued.

PETITION

to Discontinue

“Alternate Side”

Mechanical Street Sweeping

To: Anthony Duckett
Chief, Street and Alley Cleaning Division
Department of Public Works, Solid Waste Management Administration
1831 Fenwick Street, NE
Washington, DC 20002

We the undersigned abutting residents of the _____ hundred block of
_____ (Street Name), _____ (quadrant)
petition the Department of Public Works to uninstall the **NO PARKING FOR STREET
CLEANING** signs and discontinue scheduled weekly street cleaning on our street.

The attached signatures represent 80% or more of the affected residents.
